"This volume is
a collection of
the papers
presented at the
first ('kick-
off') meeting in

Download Free
Contents Table
Des Dornburg, In
near Jena
Inhaltsverzeichnis
(Germany), 26-28
May
2005"--Foreword.

The present
volume is a
continuation of
the series
Contemporary
Philosophy. As
with the earlier
volumes in the

Download Free Contents Table

series, the
present
Chronicles

purport to give
a survey of
significant
trends in
contemporary
philosophy. The
need for such
surveys has, I
believe,
increased rather
than decreased

Download Free Contents Table

over the years. In

The
Inhaltsverzeichnis

philosophical

scene appears,

for various

reasons, more

complex than

ever before. The

continuing

process of

specialization

in most

branches, the

increasing

Download Free Contents Table

contact between
philosophers
from various
cultures, the
emergence of new
schools of
thought,
particularly in
philosophical
logic and in the
philosophy of
language and
ethics, and the
increasing

Download Free Contents Table

attention being paid to the history of philosophy in discussions of contemporary problems, are the most important contributing factors. Surveys of the present kind are a valuable source

Download Free Contents Table

of knowledge of
this complexity.
The surveys may
therefore help
to strengthen
the Socratic
element of
modern
philosophy, the
intercultural
dialogue or Komm
unikationsgemein
schaft. So far,
nine volumes

Download Free Contents Table

have been
published in
this series,

viz. Philosophy
of Language and
Philosophical
Logic (Volume
1), Philosophy
of Science
(Volume 2),

Philosophy of
Action (Volume
3), Philosophy
of Mind (Volume

Download Free Contents Table

4), African
Philosophy

(Volume 5),

Medieval Age P-
hilosophy (Volumes
6/1 and 6/2),

Asian Philosophy
(Volume 7),

Philo-
sophy of
Latin America

(Volume 8), and

Aesthetics and
Philosophy of
Art (Volume 9).
